

Dear Room 116
Families,

We hope that this letter finds you healthy, happy and doing well. The teachers at Park Elementary are learning new skills and organizing as we prepare to deliver learning online. Mrs. Krause has been home during this time of

planning, because she had her baby on Sunday, March 15th. She has a beautiful and healthy baby GIRL. Her name is Myla. Both mom and baby are doing great!

Since Mrs. Krause is on maternity leave, we wanted to make sure that students are connecting with a teacher that they are familiar with. Because of this, students within Mrs. Krause's homeroom will be joining another homeroom until her return. The teacher a student is assigned to is someone that they have as a teacher usually throughout the day, maybe for reading, math or science. The list of students and their new homeroom teacher is listed to the side. Students have been added to that teacher's Google Classroom. The teacher will check in on them and is the one that any questions should be directed to by students and parents. When we return to school in person or when Mrs. Krause is able to fulfill her duties, all students will be back in her homeroom for the remainder of the year.

Thanks for your flexibility and patience during this time. Together, we will learn the new path we were given. Please email the teacher your child has been assigned to with any questions.

Sincerely,

The Fifth Grade Team
