## **613 GRADUATION REQUIREMENTS**

**[NOTE: The requirements set forth in this policy govern the graduation standards that Minnesota public schools must require for a high school diploma for all students.]**

### **I. PURPOSE**

The purpose of this policy is to set forth requirements for graduation from the school district.

### **II. GENERAL STATEMENT OF POLICY**

It is the policy of the school district that all students must pass the Minnesota Graduation tests per state requirements and must satisfactorily complete, as determined by the school district, all course credit requirements and graduation standards as established by the school board, in order to graduate.

### **III. DEFINITIONS**

- A. “Course Credit” is equivalent to a student’s successful completion of an academic year of study or a student’s mastery of the applicable subject matter, as determined by the school district.
- B. “Department” means the Department of Education.
- C. “Section 504 Accommodation” means the defined accommodations or modifications that must be made in the school environment to address the needs of an individual student with disabilities.
- D. “Individualized Education Program” or “IEP” means a written statement developed for a student eligible by law for special education and services.
- E. “English language learners” or “ELL” student means an individual whose first language is not English and whose test performance may be negatively impacted by lack of English language proficiency.
- F. “GRAD” means the graduation-required assessment for diploma that measures the reading, writing, and mathematics proficiency of high school students.

### **IV. TEST ADMINISTRATOR**

Director of Teaching and Learning shall be named the school district test administrator.

Said person shall be in charge of all test procedures and shall bring recommendations to the school board annually for approval.

## **V. GRADUATION REQUIREMENTS\**

- A. For students enrolled in grade 8 before the 2005-2006 school year, only Minnesota basic skills tests in reading, mathematics, and writing shall fulfill students' basic skills testing requirements for a passing state notation. The passing scores of basic skills tests in reading and mathematics are the equivalent of 75 percent correct for students entering grade 9 in 1997 and thereafter, as based on the first uniform test administration of February 1998. Students who have not successfully passed a basic skills test by the end of the 2011-12 school year must pass the GRAD as set forth in Sections V.B. and V.C.

## **VI. STUDENTS IN UNIQUE SITUATIONS**

In order to graduate from the school district, all students must fulfill the graduation test requirements in reading, mathematics, and writing established by Minn. Stat. §§ 120B.02 and 120B.30 as set forth in Sections V.A., V.B., and V.C., above, with the following exceptions:

- A. ELL students are required to pass the GRAD only if they have been enrolled in any Minnesota school for at least four consecutive years. An ELL student who first enrolls in a Minnesota school in grade 9 or above and who completes the coursework and any other state and district requirements to graduate within a four-year period is not required to pass the GRAD;
- B. Shared-time students are not required to pass the GRAD unless they intend to graduate from the school district.
- C. Students who have transferred from another state will not be required to pass the GRAD if they passed graduation examinations in other states with examinations acceptable to MDE.
- D. Students with IEPs or 504 accommodation plans will be tested and required to pass the GRAD as specified in the students' IEPs or 504 accommodation plans.

## **VI. EARLY GRADUATION**

Students may be considered for early graduation, as provided for within Minnesota Statutes, Section 120B.07 upon meeting the following conditions:

- A. All course or standards and credit requirements must be met;
- B. The principal or designee shall conduct an interview with the student and parent or guardian, familiarize the parties with opportunities available in post-secondary education, and arrive at a timely decision; and
- C. The principal's decision shall be in writing and may be subject to review by the superintendent and school board.

## **VII. NOTICE**

Within 30 working days of a student's entry into grade 9 or transfer into the district during or after grade 9, the school district will notify students and their parents of the school district's graduation requirements and the grade in which the student will have the first opportunity to take a GRAD. The school district also will provide written notice of the GRAD results to parents and the student no later than 60 days after the school district

receives the results and will provide written notice of the basic requirements test results no later than 90 days after the school district receives the results. The school district also will provide notice of remediation and/or additional testing opportunities and/or accommodations.
