

Knowledge Bowl

Dear Parent/Caregiver;

Your student is interested in Knowledge Bowl!

Jr. High Knowledge Bowl is a team sport of 3-5 students working together to answer questions about History, Geography, Science, Math, Government, Literature and Current Events. Play begins with a written round where students work together to answer 65 multiple choice questions. Based on the results of these scores, teams are then divided into rooms based on scores. Teams compete in rooms of three using touch sensitive electronic strips that register a 'beep' when touched. All students may 'buzz' in and teams are given 15 seconds to formulate an answer and have their designated spokesperson respond. Students are encouraged to have paper and pencil at the table but all electronic devices are off and teams will be penalized if phones ring.

This year we have 6 Saturday Invitational Tournaments, 1 Monday Invitational and 1 Friday Sub Regional Tournament

Jr. High practices will be on Mondays and Thursdays through February 19th

(Not including "No school days").

Please refer to the detailed Schedule on the back of this sheet.

Thank you for your time and for supporting this important Academic Program. Please keep this schedule and contact information close by to reference as the season progresses.

Thank you in advance for a great season!
