

# QAR

## Question-Answer-Relationship

### # 1 Right There

- The answers are in the text and are generally easy to find because the words and the answer are **Right There** in a single sentence.

*What did Principal Phelmer's office smell like? Pg. 14*

### #2 Think and Search

- These questions are answered by putting together different sentence in the text.
- You need to search the text and modify sentences to answer the question.

*Who was bullying Rob on the school bus? Pgs. 5,6,7,8,9*

### #3 Author and Me

- The answers are not in the text.
- You need to think about what you already know and what the author says in order to answer the question.

*Why does the author repeat, in several chapters, the tiger Is pacing?*

### #4 On My Own

- The answers are not in the text.
- You can answer the question without reading, by drawing on prior knowledge.

*Which character in The Tiger Rising could you relate to the most and why?*
