

Our Philosophy

We provide a structured, supportive setting where children can participate in a variety of activities appropriate to their developmental level. Play and Learn is an inclusive program which integrates children with special needs. All children will benefit from the services of a licensed early childhood teacher and educational assistants. In addition, early childhood special education teachers, communication specialists, occupational and physical therapists, and vision and hearing specialists will support the program.

Play & Learn Preschool Registration and Enrollment

Registration for the 2026-2027 school year is now open on the Hutchinson Public Schools website at isd423.org/Play and isd423.org/Learn Preschool

Please scan this code to go to the school website to register.
