III. PLEDGE OF ALLEGIANCE

IV. PUBLIC COMMENT

Qualifications and Procedure:

- School Board meetings are meetings held in the public, not public meetings.
- Public comment is reserved for students, parents of students, district employees, and members of the community within the boundaries of the school district.
- Board members will listen to public comments; not engage in a discussion.
- Public comment is included on each regular meeting, special meeting and work session agenda and limited to 30 minutes.
- Each speaker is allowed three minutes to speak about items on the agenda.
- Prior to making a comment, state your qualification (student, parent of a student, district employee, or member of the community within the boundaries of the school district).
- Those wishing to address the Board concerning any agenda items are requested to form an orderly line down the center aisle (or designated space).
- The Board Chair may modify the procedure as needed.

V. CONSENT AGENDA (one motion)

The purpose of the “Consent Agenda” is to enable the board to efficiently act on routine business, allowing more time on agenda discussion items. Upon receipt of the agenda, board members may wish to contact the superintendent’s office with questions about items included in the Consent Agenda. At the board meeting, the chairman will ask if any board member wants discussion of any Consent Agenda item(s). At that time, board members may request that the board chairman remove any item from the Consent Agenda for separate consideration. The board will proceed by taking action first on the remaining Consent Agenda. Then those individual items, lifted from the agenda, will be considered. For each such item a motion, second, discussion and vote becomes necessary.
